

# POSITION FOR GPS WITH AN INTEREST IN SKIN CANCER

Busy private specialist skin cancer clinic requires a FT/PT VR General Practitioner to meet a rapidly increasing demand in regional Victoria.

Shepparton Skin Clinic provides a comprehensive skin cancer and dermatology service with full nursing and administrative support in modern new facilities with onsite parking in a high exposure location.

Our principal is a fellow of the Skin Cancer College of Australasia and also holds qualifications in dermatology and cosmetic dermatology. He has many years of experience in skin cancer medicine and cutaneous plastic surgery and lectures in dermatology at the University of Melbourne.

## OPPORTUNITY

- Training & mentorship in skin cancer medicine dermoscopy, dermatology & cutaneous plastic surgery
- Large referral base extending from central & northern Victoria to Southern NSW & many patients self refer
- Conveniently located in a thriving economic centre & within 2 hours of Melbourne
- Mixed private & bulk billing with excellent earning potential
- Flexible hours with the opportunity to job share with a busy general practice if desired
- A dedicated practice with excellent facilities and equipment. Supporting environment for all staff.

If you are interested in this position, enquiries & an on-site tour are welcome. Please call Practice Manager on: 03 5822 2393 or email: [admin@drhook.com.au](mailto:admin@drhook.com.au)
